

# Little SCHOLARS

FREE Pre-K Program for Families with Children Ages 3-5

## “Ready or not, Here Comes Kindergarten!”

As a parent, it can be intimidating to think about putting your child on the bus for the first time and wondering how they will handle school – especially if your own experience was tough. But school can also be a fun and exciting place to grow!

To help you and your child prepare, Family & Youth Initiatives (FYI) is now registering students for its Little Scholars preschool program.

This 18-week course uses Channing Bete’s *Promoting Alternative Thinking Strategies (PATHS)* curriculum to teach children how to understand and express emotions in a positive way, while interacting with peers in a classroom environment.

*Details on reverse*

Class held at Family & Youth Initiatives (FYI)  
468 N. Dayton-Lakeview Road  
New Carlisle OH 45344
